Ginger, what can I say, this has been the happiest
four months of my whole life. I don't know what
I would of done if we hadn't got together. I didn't
know but I needed you. Ginger, I don't only
love you because you are beautiful. I love also
because you are a beautiful person. Giny I have
a lot of respect for you no matter what you
think, I couldn't love you as much as I do if I
didn't respect you very much. Ginger, you have changed
my whole life, you make ^{me} want to ^{be} good in
everything and you make me enjoy living. Ginger,
I'll wake up in the morning and find myself smiling
because of you. I am closer to you than anyone and
would trust you with anything. I understand you
more than you think, Ginger I just try to be strong
because if I wasn't we would both go around pouting
all the time. You are the girl of my dreams, I always
would wish that someone like you would come along
and you did. Giny, Nobody's Perfect but you are
damn near close. I love you, Ginger Netherly and I'll
never let go of you no matter what. I want you
to know that I would do anything in this
world for you. Turn to First Page in Back

1976 Pioneer

W.E. Boswell High School

Saginaw, Texas

Our celebrations began in many ways.

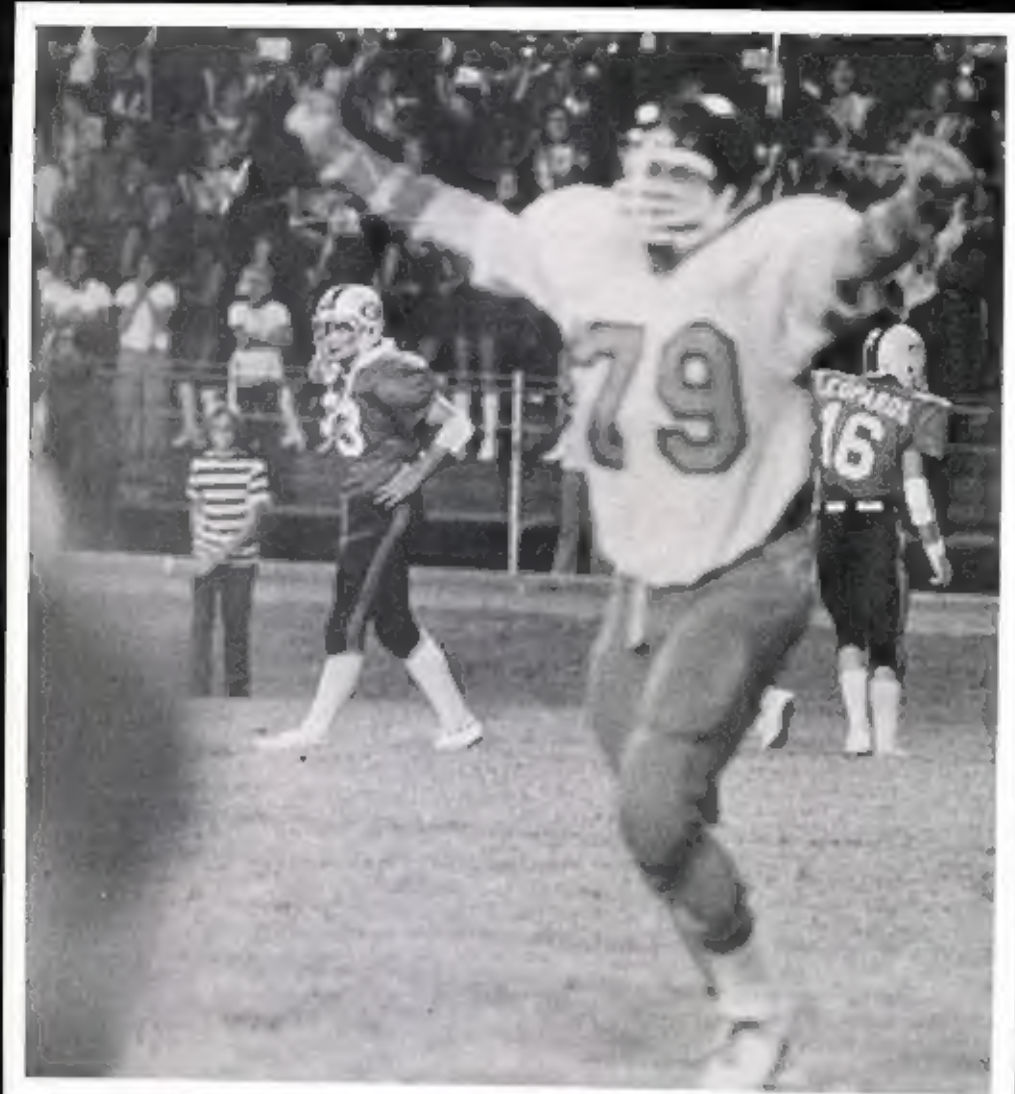

From day to day, "Bicentennial" began to dawn on us as more than just a word. It is hard to say when most of us realized that we would live during the 200th anniversary of the United States. The 1975-76 school year was suspiciously patriotic. Red, white, and blue barrels popped up on sidewalks; murals appeared on walls and the concession stand became a huge flag.

So what did this all mean to us, as a school, as a generation? *Was* it all just red, white and blue hooplah? *Was* it just a commercialized scheme to amuse the American people? Where did we fit into the Spirit of '76?

WE ARE THE SPIRIT OF '76.

Thinking back, we can remember the small things—the little celebrations. The mad rush on "chicken day", the mounds of confetti at pep rallies. All of us know that indesireable feeling of finishing the last final exam. Test exemptions, too, were celebrations of a most obvious kind.

Victories, losses, competition, and just participation began to be important to all of us. That lengthy sigh as we realized that all of us, freshmen as well as seniors, were approaching graduation day by day. We all wanted to get out and see the world, to take the big step of leaving high school.

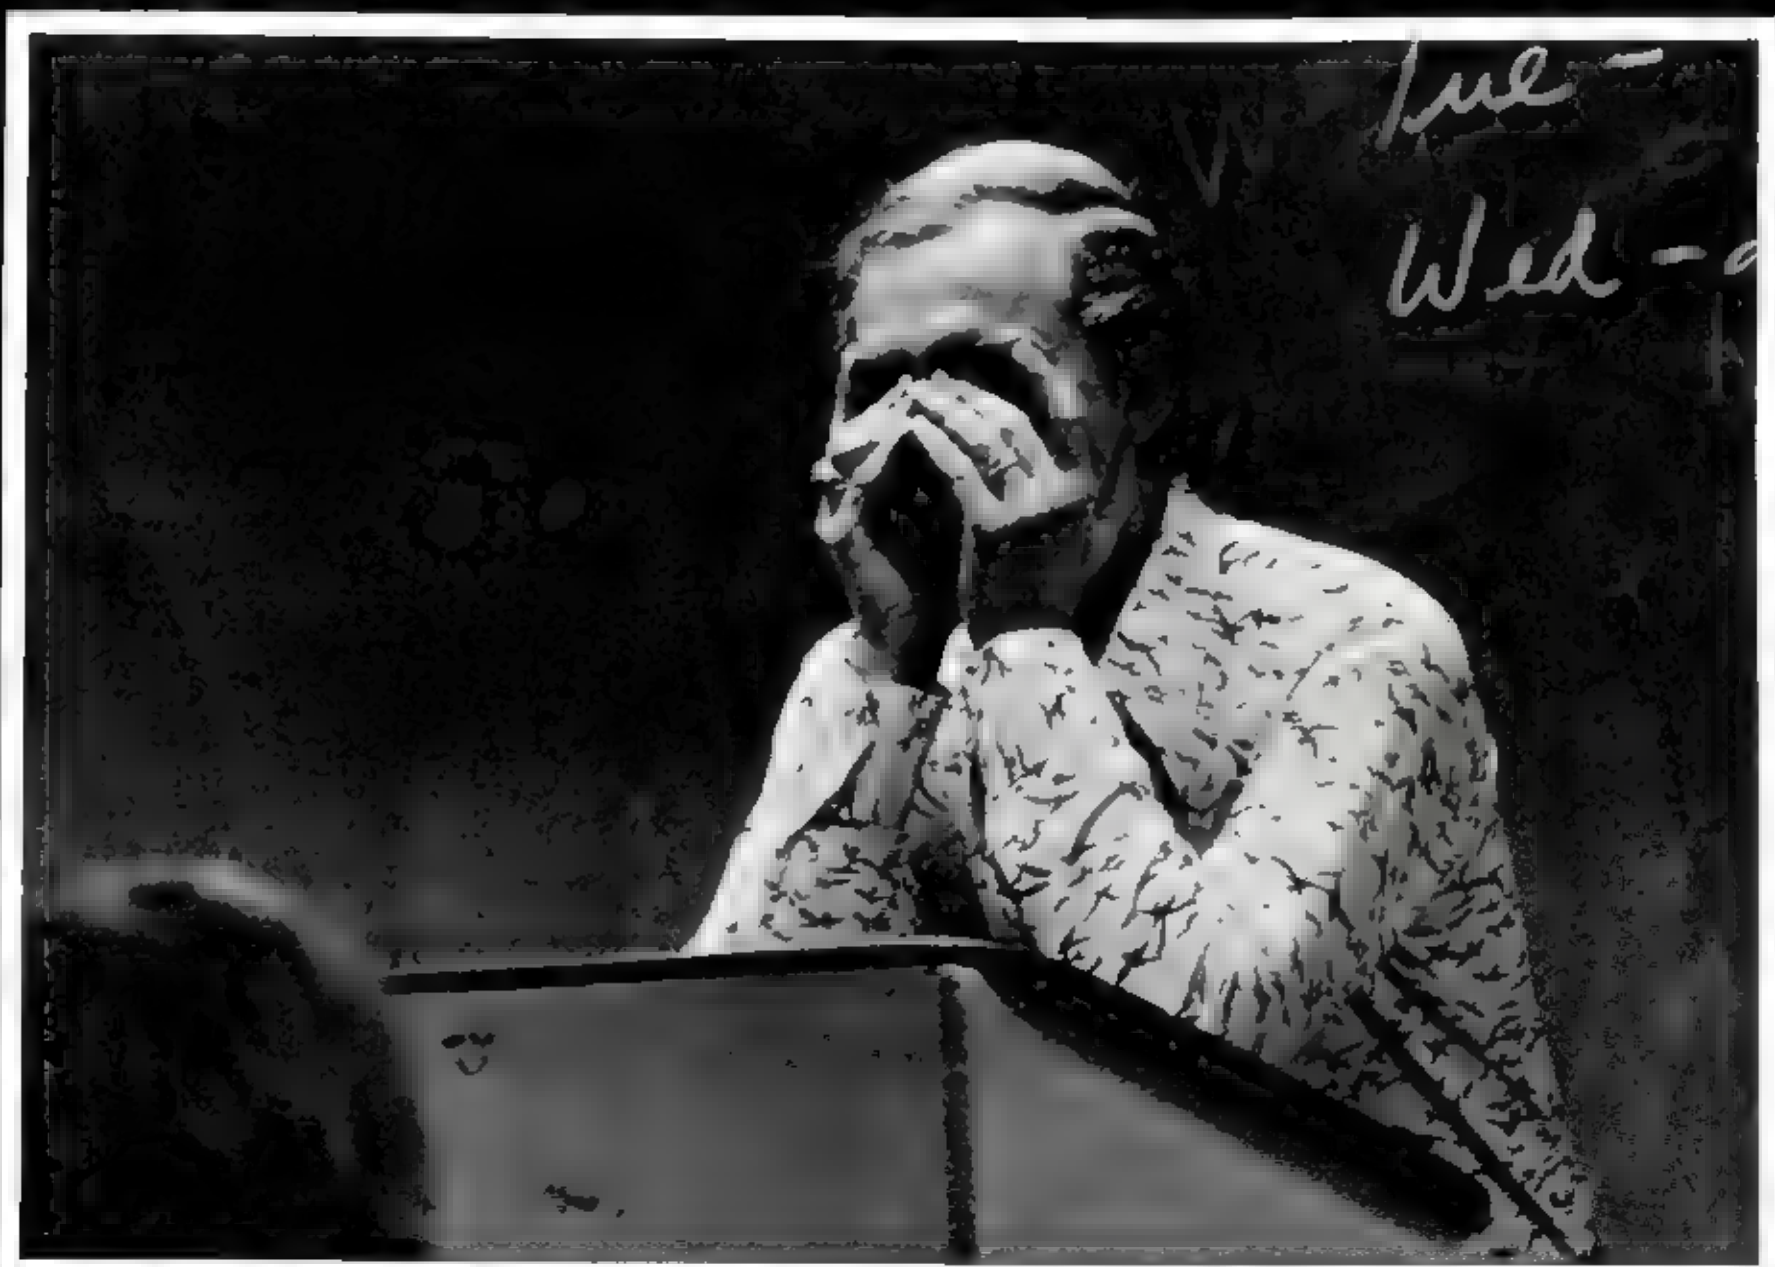

1976 will, undoubtedly, remain in the memories of all of us. The Bicentennial, our senior year, or the year we were first in district. Maybe it was the year we met that special someone, or realized our independence was as important as breathing. Maybe it was the year that we grew up.

Better yet, maybe it was the year that we, in fact, all America began to see that it was *not* silly to get a lump in your throat during the "Star-Spangled Banner." There was no longer any need to choke it down. Suddenly America, with all its faults, was swelling with patriotic pride. And for us, we were there **CELEBRATING.**

Dynamic duo join together to promote unity at Boswell

TEAM (tēm),—one or more persons associated in some joint action.

This is the dictionary version of a "team", and we at Boswell have another definition. It can be found in our own "dynamic duo" of Miss Kathleen Ott and Mr. David Moerbe.

Like "Me and My Shadow", they can be found at many activities involving students and especially student government. Together they have put together an efficient Student Council, with tears and alot of hard work.

With a quick laugh and unfailing wit, Miss Ott and Mr. Moerbe are trusted friends as well as respected teachers. They are proof that Algebra and World Geography can be interesting!

Spirit is a term often used and thrown around. With these two people, it's a way of living. For all their spirit, hard work and alot of old-fashioned love, we wish to make them a special part of this year's celebration.

Mr. Galbreath Ends Career

With the close of the 1975-76 school year Mr Woodrow Wilson Galbreath will give up 34 years of public education and 15 years of working in the Eagle Mountain Saginaw school system. From this he will begin to catch up on fishing, traveling, farming and, in his own words, taking life as it comes.

With his retirement Boswell and the district suffers a loss. But we will always remember the pleasant sight of the smiling, joke-telling Mr Galbreath, and the same Mr Galbreath who juggled schedules, found students jobs and helped them graduate. During his career he has been a principal, a Boy Scout leader, coach, TSTA president and even a justice of the peace.

In recognition of Mr Galbreath, we recall one of his finer jokes where he said, on his wedding day, he told his wife he loved her and he wouldn't say it again unless he changed his mind. Well, for the record Mr. Galbreath, in case you never heard us, we love you.

IN MEMORIAM

*Because I have loved life, I shall have no sorrow to die.
I give a share of my soul to the world where my course is run.
I know that another shall finish the task I must leave undone.
I know that no flower, no flint was in vain on the path I trod
As one looks on a face through a window, through life I have looked on God
Because I have loved life, I shall have no sorrow to die.*

Blue machine gives fans exciting 10-0 season

Undefeated team wins district

Boswell's 1975 football season was a combination of enthusiasm, excitement, and good times for many, truly the elements of a celebration. While the band played and fans cheered, the Pioneers pulled out victory after victory to become the first team of Boswell to go undefeated through regular season play. The team's hopes were high from the very beginning as they went into their first game, with the odds against them, facing state-ranked Gainesville. After a tough defensive battle the Pioneers took a 7-6 victory, their first close one and a foreshadowing of many more to come.

The Pioneers continued to exhibit their winning style as they went through the pre-district games undefeated. Working hard during their late afternoon work outs the team prepared for district.

The first district game was a do-or-die match-up as the Pioneers sought revenge against defending district champions Grapevine. Defense was the key factor as the Pioneers held on to take a 14-12 victory in a tense and exciting game. A week later the odds were against Boswell as they went up against next year's 4-A ranked team Burleson. The game was deadlocked for three quarters until the Pioneers pulled ahead by six and, after a desperate heart-stopping scoring attempt by Burleson, clung to their narrowing margin for a 6-0 win. Looking for a good solid victory for a Homecoming crowd, the Pioneers hosted the Brewer Bears. Even though Brewer was heavily favored to upset the blue machine, the spirit-charged Pioneers ran away with the score for a 34-0 finish.

Midway through the season the Pioneers were still undefeated as they went to Azle, finally picked to beat a crippled Hornet squad. That they did in a high-scoring 46-8 finish. Gaining a state ranking in newspaper polls, the next week, the Pioneers went to Handley Field to meet Diamond Hill in search of their eighth straight win. The Pioneers were almost tricked out of their Halloween treat as they squeezed out a 16-14 victory, and began another string of close margin victories. Sitting on top of District 3A-5 as the only undefeated team, the Pioneers edged the Bulldogs 10-8 to go on to win number nine. Even though undefeated, the title was still on the line as the Pioneers faced number two ranked Mansfield in a game which would decide the championship. The game was close through the first half with the Pioneers going to the locker room at the half with a narrow lead. But the Blue team proved their right to be number one as they wore out the Tigers in the second half, rolling up a 28-6 score, causing pandemonium in Pioneer Stadium.

From here it was on to Clarke Stadium to meet the South Grand Prairie Warriors in bi-district playoffs. Spirits were high as the Pioneers had a good chance to go far-

ther than any other Boswell team ever. However these hopes for victory dropped with the temperature as the Warriors proved to be as strong as the stiff breeze at Clarke. The Pioneers ended their eleventh game in an unusual manner, with a 14-21 defeat.

As proof of Boswell's successful season eight Pioneer teammates were named to the 3A 5 all-district team, and five received honorable mentions.

The Star-Telegram named senior nose guard Robbie Rogers "Defensive Player Of The Year," senior running back Ronnie Rivers "Offensive Player of the Year," and head coach Neal Wilson "Coach of the Year."

Those who made the all-district team were: Johnny Henderson, wide receiver; Brian Adler, tackle; Mike O'Rourke, guard; Burnie Rodgers, center and lineman; Ronnie Rivers, running back; Robbie Rogers, lineman; Gary Bush, lineman and Jim Battenfield, linebacker.

Those receiving honorable mention were: Jay Henley, tight end; Mike Belshe, tackle and lineman; David Pearce, quarterback; Pete Higgins, lineman and Tim Groce, linebacker.

Also seniors Robbie Rogers and Ronnie Rivers were named to the all-state 3A team and Rogers was chosen to play in the North-South all-state all-star game in July in the Astrodome.

Junior Varsity

Boswell coaches have bright hopes for next year's varsity as this year's J.V. move up with their 9-1 season

With a strong offensive line and a mixture of agile and overpowering running backs, the Pioneers racked up a total of 247 points. The offensive line, consisting of Jack Heffelfinger, Mark Techmeyer, Randy Hutchins, Doug Grope, and Van Hartnutt opened up many holes in the for the power running of Bobby Fowler and the agility of Billy Langley.

Noseguard Ricky Taff, along with linebackers David Sain and Joe Morales, helped lead the Pioneer defense as they shut-out four opponents. The aggressive defense were an asset to the J.V.'s victories as they held their opponents to a mere 61 points.

Cagers Experience Up and Down Season

The '75-'76 Pioneer basketball season proved to be one of mixed emotions. To some the outcome and season record may have been a disappointment. But to others it may have been the most exciting season in a while. Many of the Pioneer's games were won or lost in the final minutes, keeping the spectators attentive and excited till the buzzer sounded.

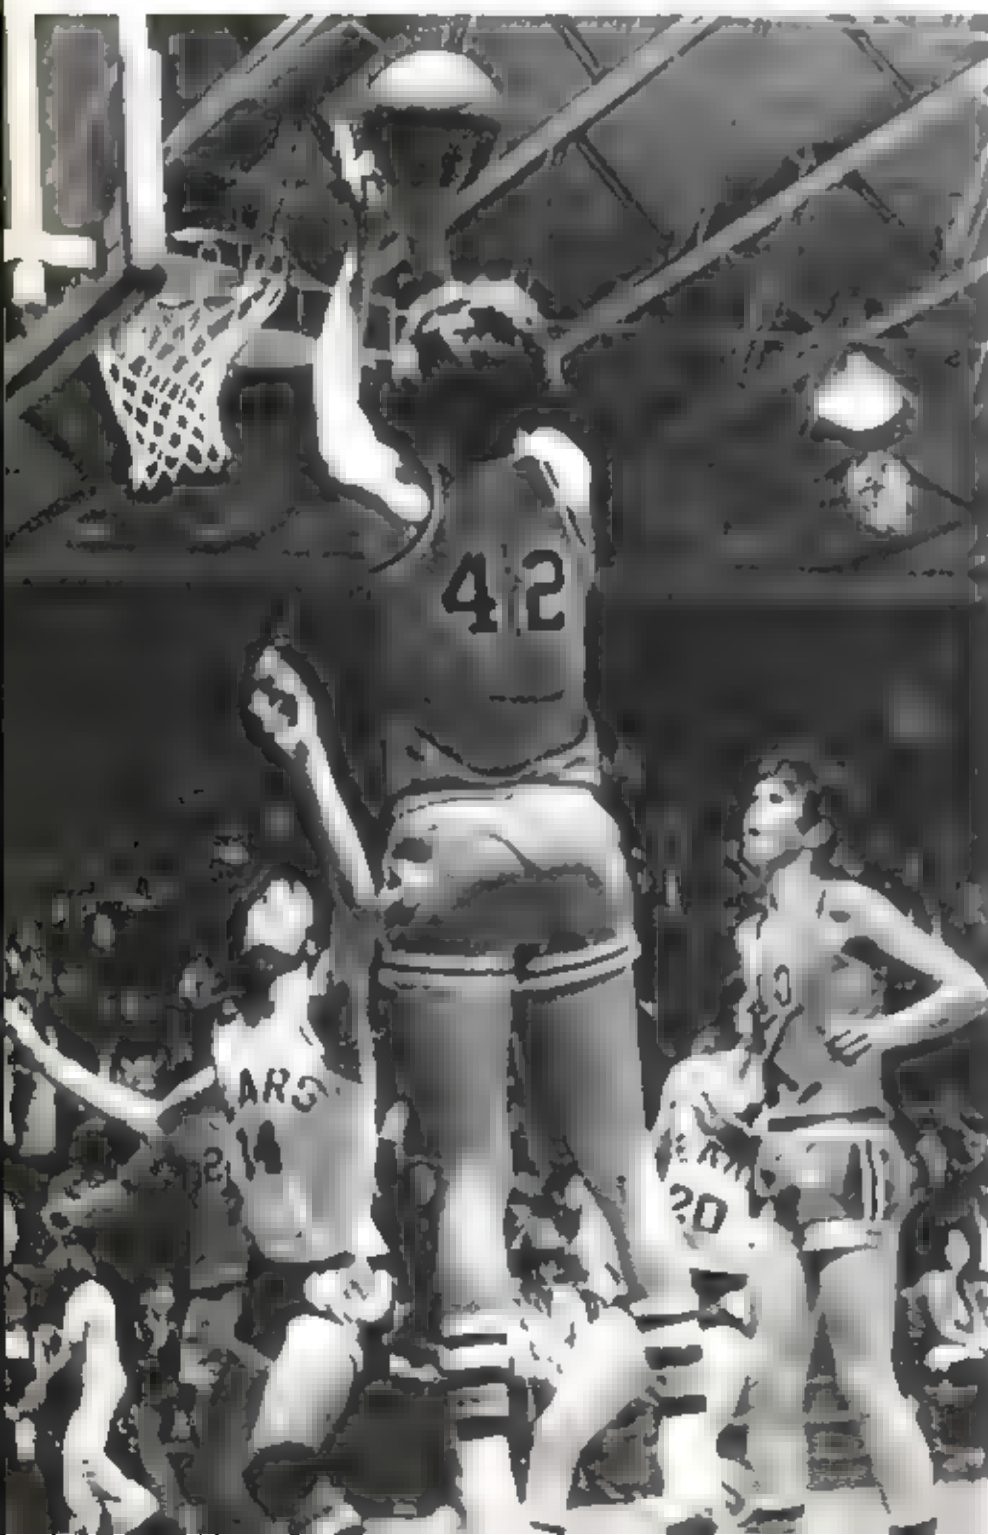

With a relatively young and inexperienced team, the Pioneers finished up the season with a 4-10 district record. Due to the young team and the many returning juniors coaches look toward next season with great enthusiasm.

Achievements of the team included a sportsmanship trophy in the Mansfield Tournament, and a first place in the Springtown Tournament. Junior Dick Elkins and Senior Mark Reasoner were both named to the Springtown all-tournament team and Reasoner was selected as Most Valuable Player. Reasoner was also the only Pioneer to make the all-district team.

Freshmen

For the 1975-76 freshman basketball team the season was all up, up, in and two points.

The youngest of the Pioneers netted a total season record of 25-5 and went 13-1 through district play to finish with an undisputed first place.

The success of the freshman was credited to their exceptional talent and ability to play as a team. Their achievements have assured Boswell a top spot in upcoming seasons. Danny Henson led the team in scoring and Tim Thornton proved to be a leader in offense and Ricky Corbin on defense.

There were many games where fans questioned the likelihood of their winning, although they always put forth that little effort putting points up and above their competition.

During the upcoming years the frosh will have quite a showing to maintain and many offenders out to swipe their record.

a) Senior Mark Reasoner plops it up and in for two against the Brewer Bears during a district tilt. b) An unidentified freshman goes up for a swoosh with help from Richard Murray. This example of the frosh's teamwork easily explains their 25-5 season record and a 13-1 district legacy. c) Tim Thornton proves his playing ability for the first place district frosh, being one of the highpoint men from his squad. d) Freshman Basketball, Bottom Row: Bobby Mori, Tim Thornton, Larry Holt, Jeff Kloster, Tommy Sharp, Butch Huddleston, Jim Bob Atchison, Wes Tipton. Junior Varsity

Like the varsity, the junior varsity basketball team had its ups and downs and a fair share of bad luck during the year. The team had to take a good many close losses from some fine teams. However, they were not a team without hustle. They played good, hard ball every time they hit the court. The team's quickness and hustle accounted for their competitiveness, but their lack of height may have been the reason for their losses. The junior Pioneers finished the season at 10-15 and 5-9 in district competition.

Girls' Basketball

The Pioneerettes' first district game was played at Mansfield and they returned victorious by a slim two-point margin. At the Granbury Tournament, the girls beat Weatherford, but lost to Granbury and Burleson. At Boswell, the girls met the challenge of the Minerals Wells Rams and won 56-32. District play resumed then, and the girls received their first district defeat at Azle 54-31. Their bad fortune continued at Brewer where they were beaten by a three point tally. Grapevine came to Boswell for the teams' first district home game, and the result was a 75-32 victory for the Pioneerettes. Traveling proved to be unfavorable for the roundballers as they brought home a 57-54 defeat from Burleson. As the second half of district play began, the girls had four out of five games at home, and it began with a 77-60 trouncing of the Mansfield Tigers. Azle's challenge was met with a weak 44 points to their 58, but the girls returned to beat Brewer in a grudge-match, 57-40. The Wagonwomen again dominated Grapevine with a 30 point win, 65-35. The final home game against Burleson was a 49-45 victory for the Pioneerettes, and senior Mark Reasoner was named basketball beau for the year. The varsity's season record was 15-8. Coach Don Enax said, "I thought we had a good year. I can see us winning district next year, if everything goes like I think it will. This was a year of improvement for the younger players ... which is what's beneficial to the future teams" Senior Vicki Morgan was named outstanding guard for the district, and Deniece Blount and Donna Steele were all-district second teamers.

Freshmen

"The freshmen girls basketball team this year was the best in a long time as far as unity; working hard and over all trying." stated Coach Dana McCarroll. "They improved as the season went on. Each game was better than the one before it. There was no jealousy between players."

They placed third overall in district. Outstanding games were at Mansfield with Becky Stafford winning the game with a lay-up during a second overtime when Lynda Bicknell slammed a pass to her. At the Grapevine tournament Boswell's girls beat the Azle Hornets to win. In tournaments at Grapevine and Plano they placed second and third.

Junior Varsity

The Junior varsity roundballers began non-district play with Nolan, and lost 33-20. The determined team came back to win four consecutive games against Mineral Wells, 45-51; Keller, 30-28; Richland, 33-18; and Jacksboro, 36-34. At Plano the wagonwomen suffered a 48-36 slap, and lost to their first district contenders with losses to Mineral Wells, 32-19 and, Azle, 38-31. The Brewer bears found themselves skinned on their own grounds when the JV ruled to a 46-30 win. However, the team had trouble keeping their momentum and suffered a 44-18 defeat at Burleson. But they returned to bop Richland 52-46. A 37-25 defeat by Mansfield and a 49-25 slap by Castleberry's varsity team kept the team at a steady down, and they lost their following games to Azle. Not to be kept down the JVers came back with a 27-13 win over Brewer. However, the last season game was a close match, and Boswell lost 37-36, leaving the team with a 7-10 record for the season

Girls' Track

The varsity girls collected 65 points for an over-all fourth at the district track meet in April. Competing at Burleson's Elk Stadium, the team's only two firsts were brought home by Amber Boaz in the shot put and the discus. They were Amber's third consecutive district first in shot and second in discus. Placing second were Vickie Morgan in the long jump, and the mile relay team consisting of Morgan, Beth Blount, Becky Gillen and Darla Hard. This was also the second year that the team took second to qualify for regional.

District thirds were Lisa Stokdyk in the 880-yard run and Rachel Glover in the high jump. Fourths were Dorothy Hamman in the triple jump and Hard in the hurdles. Hamman placed fifth in the hurdles.

In regional competition, Boaz took two thirds in the shot and discus. The mile relay team won sixth in their race.

The freshmen, competing in the junior varsity division, placed first in the district. The team participated in meets at Bridgeport and Brewer. Although the girls often competed against more experienced tracksters and in higher divisions than their own, they usually enjoyed good showings wherever they travelled.

At district, first place winners were Kristal Wilson in the 440 dash, Lisa Daughtrey in the triple jump, Becky Stafford, high jump and Laura Guadagai, discus. Other events and tracksters included Dori Dittfurth in the shot put; Annette Summers, 100-yard dash; Barbara Bever, 880 run; Bever, Summers, Stafford and Janet Hill in the 440 relay and the second mile relay team was made up of Wilson, Lynda Bicknell, Daughtrey and Stafford.

Cindermen

Boswell's varsity track men had an exceptionally good season breaking and tying six school records, some of which had been in the books since 1967. The team also succeeded in setting a new total scoring record at Boswell with 104½ points secured at the Castleberry meet. Records set were by Brian Adler in the shot put and discus and Dewain Smith in the 330 intermediate hurdles. Kurt Eagle tied a record in the mile, Chuck Boggess in the 120 high hurdles and Brad Harris in the high jump.

Under the coaching of David Ballauer enthusiasm and spirit for the team seems to be climbing higher and higher each year. The excellent record of the varsity track team for 1976 gives evidence to this fact.

Baseball

Boswell's sluggers finished district play for the second year in a row with a 7-7 slate. The Pioneers provided the fans with an exciting season of one-and two-run margin wins and losses. With the exception of only two games, the Pioneers saw victory and close defeats all season. Grady Mattson was Boswells' most consistent pitcher, walking away with four victories and only one defeat. Other pitchers for the Pioneers were Ricky Walton and Tim Bicknell. Another of Boswell's outstanding players was Chuck Bog-gess who led the team in stolen bases, runs, hits and times at bat. Junior Jeff Dykes led the team in hitting doubles and getting walks.

The only freshman member, Danny Hen-son, hit several home runs and maybe prove to be a promising player next three years.

Gymnastics

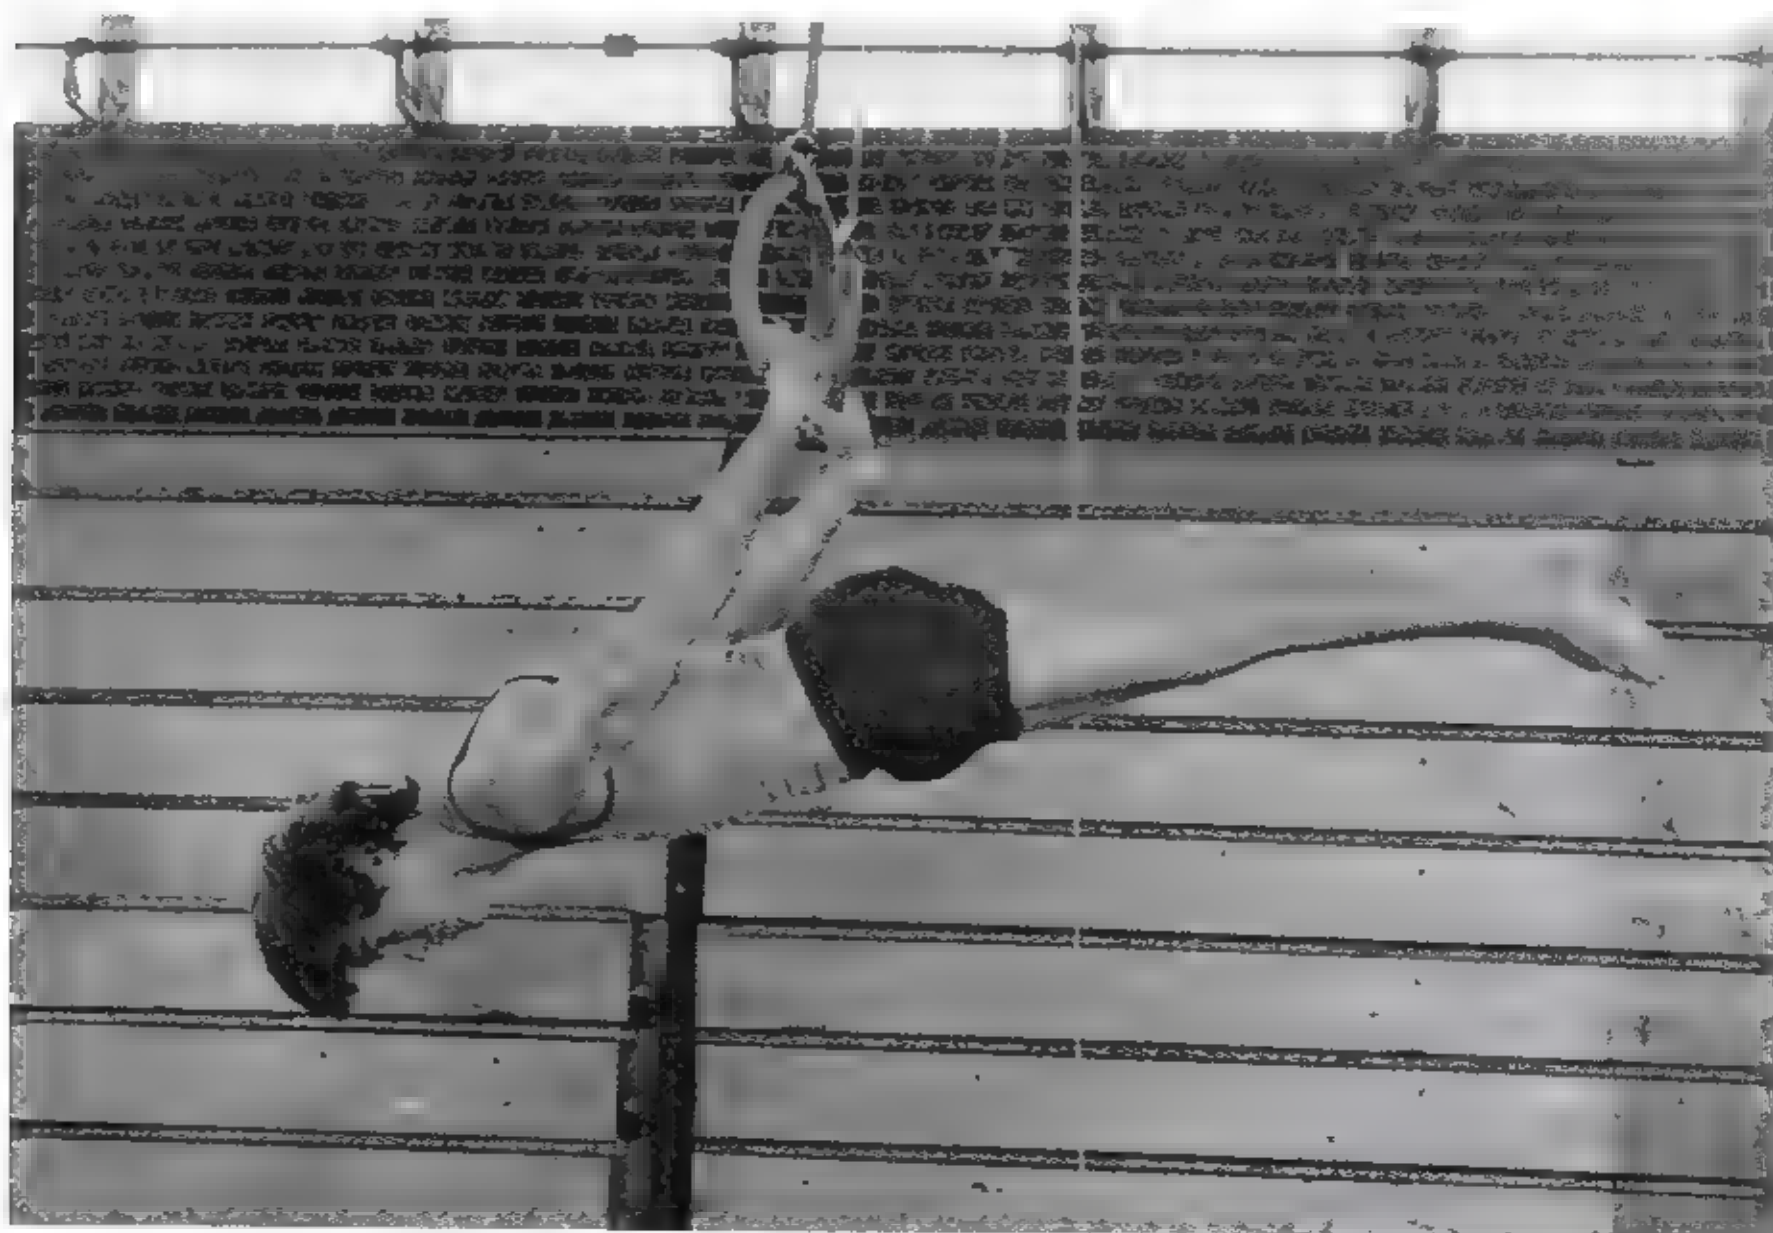

Boswells' gymnastics department experienced a very active and competitive 75-76 year.

For the first time in four years, the team was involved in competition. The great enthusiasm and long, hard hours put in by the students and coaches have helped the department grow and interest in the program spark. During the year there were both boys and girls competitive team. The girls participated in nine meets and the boys in seven. Senior Brady Kallas qualified for the state gymnastics meet for his bar routine.

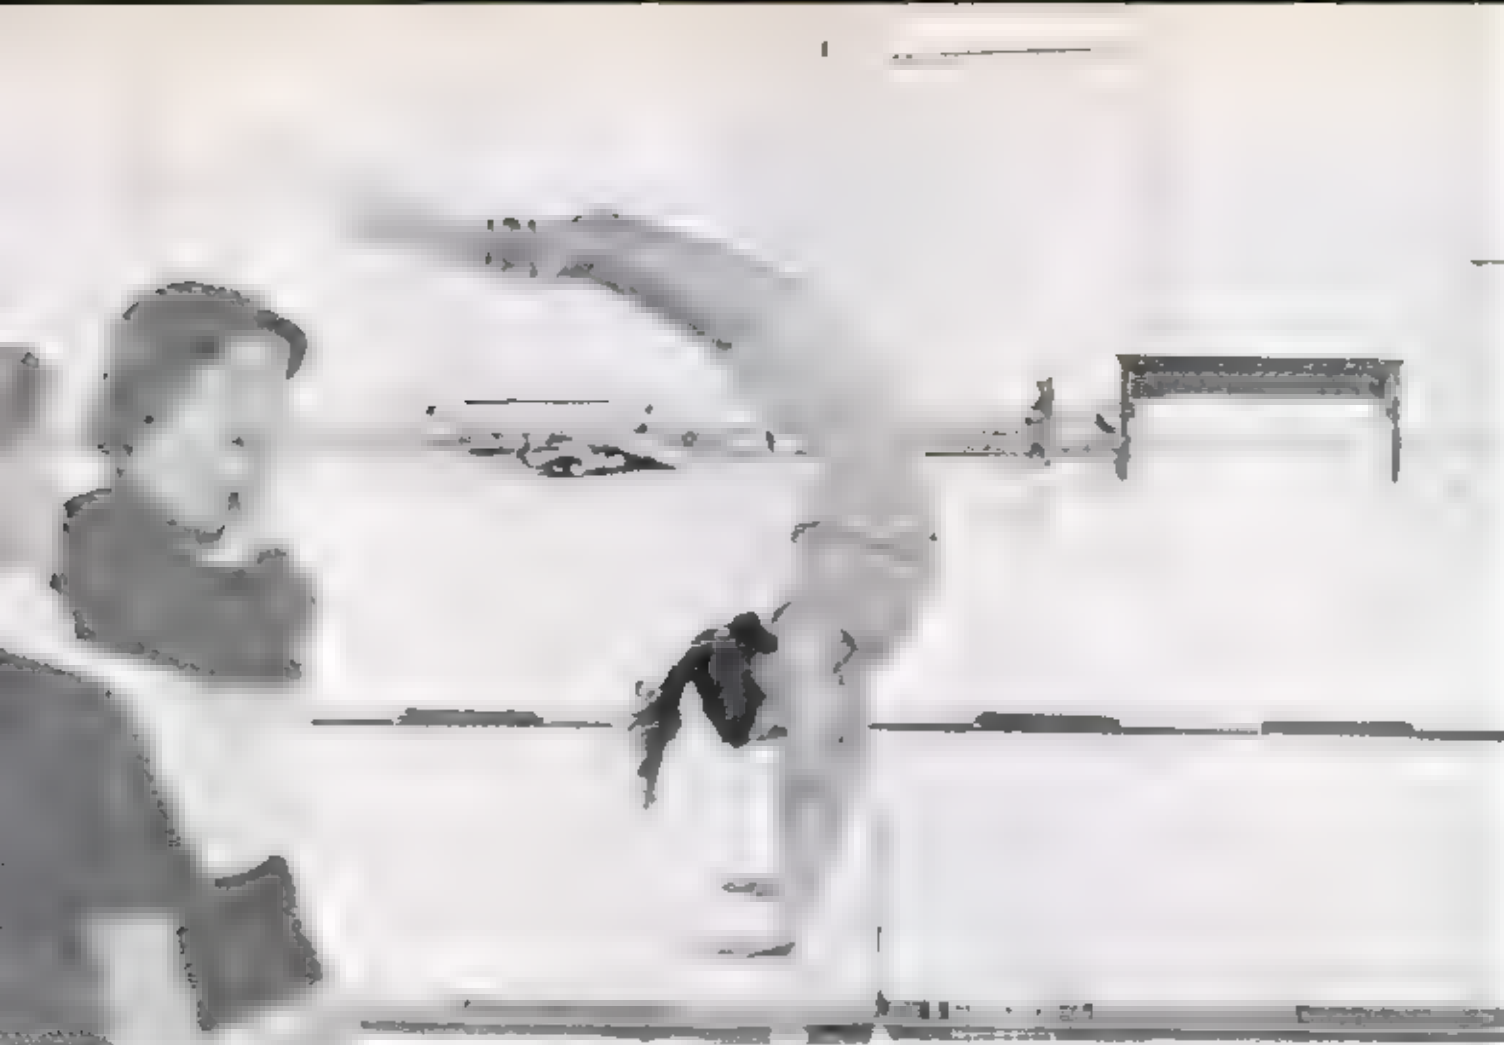

The team, coached by Darrell Daniel and Debbie Johansen, was also to sponsor a summer program for community residents interested in gymnastics.

PERSONALITIES

Leadership and involvement are two qualities usually associated with the title Mr. Boswell High School. Kirk Watson has truly been involved during his four years of school.

He has been a varsity debater for four years, placing second in state competition his junior year and winning the contest his senior year. Kirk has played leading roles in most of Boswell's productions, attending state one-act play contests as a sophomore and senior.

His participation and interest helped to earn him the honor of outstanding senior Thespian. The various clubs Kirk has participated in include FTA, JETS, Spanish Club and National Honor Society. He also was active in student council, serving as president his senior year. As a freshman and a sophomore Kirk played full-back for the football team and pole vaulted during the spring.

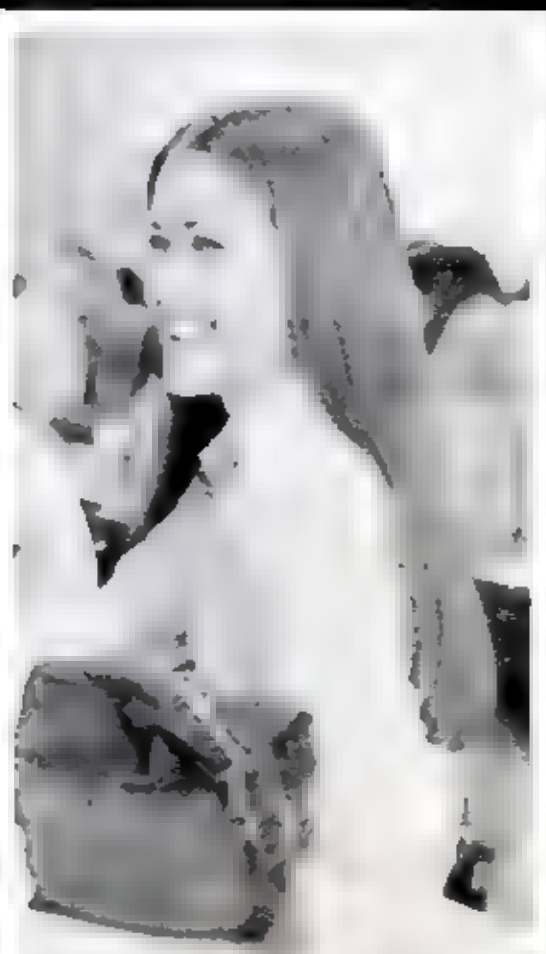

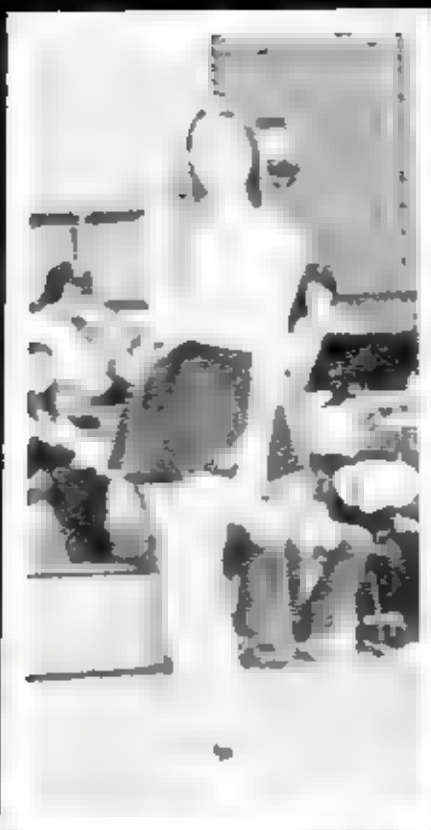

Kirk plans to attend Baylor University in the fall majoring in pre-law. Kirk has been awarded a debate scholarship by Baylor to help him pursue his college education.

Miss Boswell High School

Karen Dickens

When one thinks of the title of Miss Boswell High School leadership, activeness and someone who has helped to give our school a good name comes to mind. Karen Dickens has not only achieved these but she maintained a 4.0 grade point average, being named one of the valedictorians of the 1976 graduating class. Karen's major activity her four years at Boswell has been band. She was member of the all-region band for three years and an area candidate her senior year. Karen was head majorette for three years of the four she served as majorette. Other clubs on Karen's list of involvements include FHA, FTA, and National Honor Society. Her junior year Karen's entry into the JETS science fair took first place at the regional level.

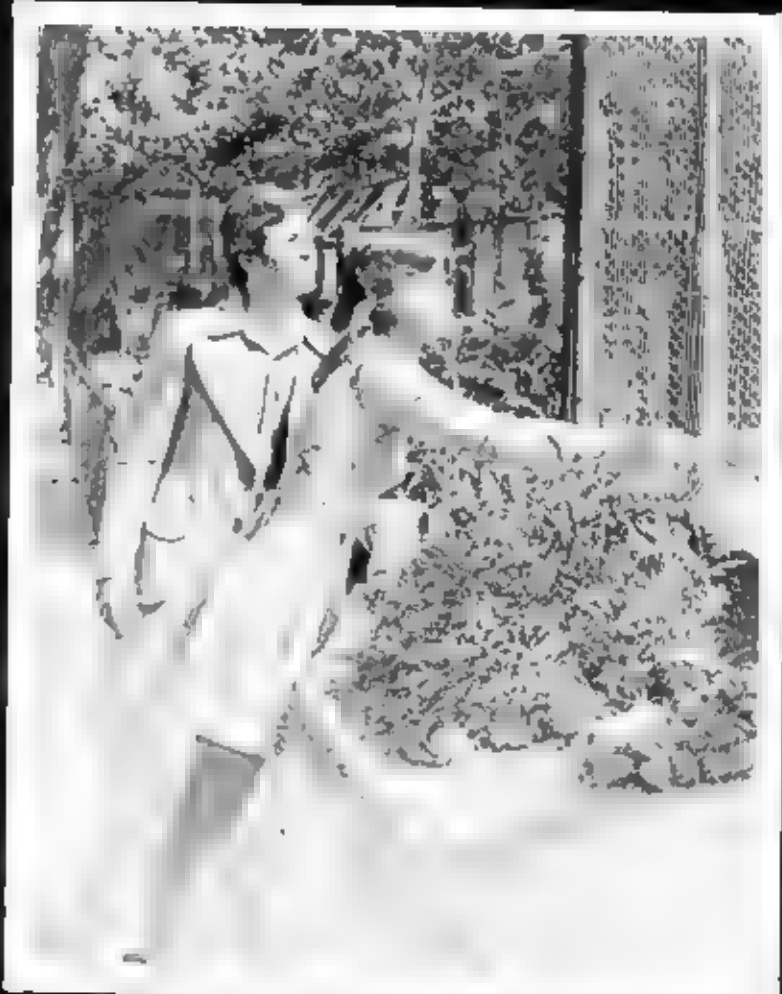

In the fall she will attend The University of Texas at Arlington where her major will be in computer science.

Leming enjoys Boswell life

The Bicentennial class' celebration of the nation's 200th birthday was also participated in by Eva Lill Leming, Boswell's Norwegian exchange student. Eva began the year attending football games and yelling with the pep squad in which she became an active member. She also participated in the choir and was a member of the National Honor Society.

Eva's presence was felt most of all by members of the senior class, her class, than others on campus. She told them of her Norwegian customs, government and social trends, especially those involving young people. A slide presentation which she gave to government classes gave many a glimpse of a far-off land they would never see.

Eva helped to celebrate the Fourth of July in America and see how Americans completed their celebrations of the Bicentennial.

Her plans after leaving America include continuing her education. But Eva said, "I'd like to come back here."

And other “personalities” make Boswell what it is . . .

Closing

Once the celebration has ended, there is little left to say. No words or pictures can ever recapture the excitement of the moment, the thrill or the sadness. Memories become distorted with time, changing to what one wants to remember, not necessarily what really was. In all thoughts of past youth and happiness there is a certain feeling of affection. To leave behind what one has loved or learned to love—can be a traumatic experience. To suddenly not know what tomorrow brings can make a loss of security seem more profound. To love the unknown future is an accomplishment. . . . and life itself becomes a celebration.

The first thing I noticed
 when I stepped out of the car
 was the smell of the sea.
 It was a salty, sweet
 scent that I had never
 experienced before. The
 sun was shining brightly
 on the water, and the
 waves were crashing
 against the shore. I
 felt a sense of peace
 and tranquility that I
 had never felt before.

ginger (Barbie)
I can't believe
this is my Sr. year.
even though my pre-
dictions from last year
weren't exactly right. I
was close enough. You all
make it a great year. I
only one on the squad that
been my enemy at one time
(not counting Melinda I guess)
the most last going person
I will never know how many
I will leave you completely
be sad to leave you, but I
about that next year, exploding
spirit and make your year
good. Be sweet and try
thing you'll regret later.
always. Ginger, I love you
never forget you.

 good!

Dinger,
 You're really
 a sweetie! You're
 cute & all that too. You
 really have a lot of hope
 for you and in life now we
 hate you a lot better. I hope
 because you're ever really close
 on top of everything else!!
 Be good!
 Take care, love,

Dinger,
 You are so beautiful &
 sweet! & & &!!! Not really,
 you are cute, but I wish
 you were as neat as me!
 Don't you?
 Love ya,
 Cindy
 P.S. Not really
 you are a
 very sweet girl!

Dinger,
 a great looking girl that
 I wished we could have
 some classes together. Because
 I really like you.
